## PRODUCT DIMENSIONS

595mm Width x 570mm Depth x 845mm Height

## KEY FUNCTIONS

### WALL MOUNTABLE

This dryer comes with a 4-point mounting kit, allowing it to be securely fixed to the wall. This is ideal for small laundry areas, apartments, and laundry/utility cabinets. The elevated position is also ergonomically convenient when loading and unloading the unit.

### SENSOR DRYER

This function combines precision, efficiency, and care when drying your clothes. It helps prevent over-drying and is energy-efficient.

### ANTI-CREASE FUNCTION

The anti-crease function keeps clothes gently rotating after the cycle finishes, helping prevent wrinkles and reducing the need for ironing.

## INSTALLATION INFORMATION

Please refer qualified installer to our product instruction manual.
