

# PLATI SBT-115

## Freestanding bath with built-in overflow

The linear, geometric shapes and soft rounded corners of the Plati bath combine to create a stunning piece of bathroom furniture that is perfect for a luxurious bath experience.

- seamless design
- white sanitary grade acrylic, high gloss finish
- excellent heat retention properties
- adjustable support feet
- fits 40mm waste
- built-in overflow, polished stainless steel slit overflow included as standard

ORDER CODE SBT-115

OVERFLOW Built-in overflow included, stainless steel slit

WASTE Suits 40 mm overflow waste (not supplied)

INSTALLATION The bath can be installed using a flexible connector pipe (not supplied).

The bath is supplied with four adjustable support feet on the base frame of the bath. Position the bath and use the adjustable feet to level the bath. Leave a 3mm void between the base of the bath and the floor. Use silicone around the base to seal the bath to the floor. Allow a 20mm gap in the silicone seal as a weephole (gap is designed to reveal any plumbing leakage).

Use acetic cured silicone sealant. Do not use epoxy type adhesives.

Always use the actual product to verify placement.

Leave a 3mm gap between base of bath and floor. Use silicone to seal base of bath to floor, leaving a 20mm weephole.
