

KUBIC BLADE SKS-KU726

Blade 'no splash' sink innovation

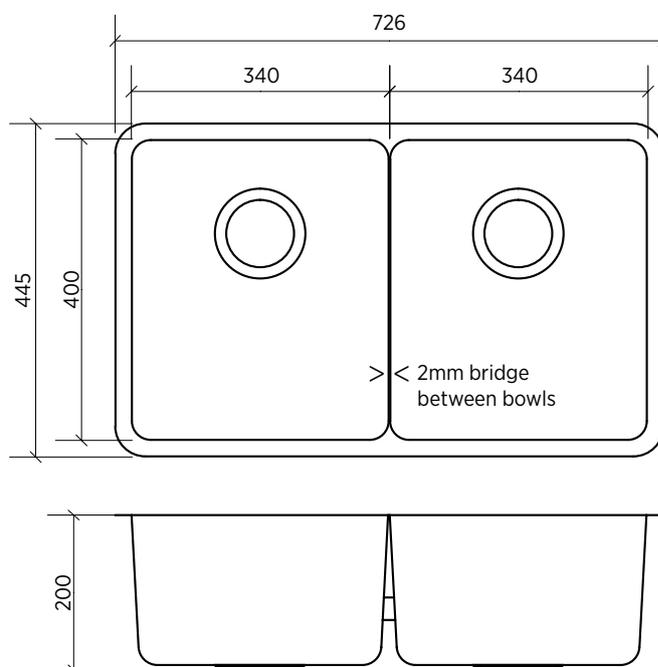

Seima's Blade double bowl sinks have an ultra-slim 2mm divider between bowls, allowing you to move a running tap from bowl to bowl without splashing. Our Blade sink design was a finalist in the HIA Industry Innovation Awards in 2016. The Blade is a registered design protected under Designs Act 2003.

Kubic - Soft, minimalist architectural aesthetic. Smooth, square lines.

The simplicity, square lines and sleek satin finish of the Kubic series create a soft architectural aesthetic that will complement minimalist and contemporary design influences. Superior edge finish means that Kubic sinks are suitable for abovement or undermount installation.

- Square lines and silk finish
- Superior rim finish, designed for abovement or undermount installation
- 1.0 mm thick premium 304 grade stainless steel
- Deep, large capacity bowls
- Easy to clean corners
- Sound deadening
- Designer basket waste
