

90cm dual fuel pyrolytic freestanding cooker with 5 burner gas hob including a 17 Mj/h wok burner and dual valve control, and 125L gross capacity oven with twin fan system.

RRP AUS \$3,699.00

Product Details

FEATURES

FamilySize Oven Enjoy the huge 125-litre gross capacity with a helpful wide-open oven	Twin fan system With the twin fan system the fans rotate in opposite directions to distribute heat evenly throughout the oven, for even cooking results every time.	High powered 17MJ/h wok burner	Dual Valve Control
No-fuss PyroClean Oven Clean with ease and without harsh chemicals. Use the pyrolytic function to turn grease and grime to ash, then quickly wipe away.	FamilySafe Doors FamilySafe oven doors ensure a cooler exterior and safer kitchen.	Fast heat up time Designed to heat up fast, the oven takes just 8 and a half minutes to heat to 180C on the quick cook setting.	Twin oven lights Twin 25W halogen lights light up your oven so you can always keep a close eye on your cooking.
Digital Programmable timer	FamilySafe trivets FamilySafe flat trivets enhance pot stability and slide-ability, enabling greater safety when cooking	FamilySafe Flame Failure Device Stops the gas supply if the flame is extinguished.	Handy storage compartment Extra storage always comes in handy, so with a clever storage compartment you can easily stow away any extra pots and pans.

BENEFITS

Room for everything with FamilySize Ovens
Whether its a big family gathering or a simple Sunday roast, you'll love Westinghouse Family Size ovens, our huge 125-litre gross capacity ovens with room for everything. The home cook's delight, the impressive width makes it super easy to get things in and out of the oven. Plus it can also fit even the largest turkey or lamb roast, so you'll never have to worry about not fitting food in.

Twin fan system for even cooking
Cook each dish to perfection with the Twin Fan System. Fans rotate in opposite directions, distributing heat evenly throughout the oven, so you enjoy great results every time.

High-powered wok burner with dual valve control

By having dual valve control you can take the flame from the highest setting of 17MJ/h down to a simmer, allowing you to create delicious tasting meals for your family in no time at all.

No-fuss PyroClean Oven

Easily clean the oven using minimal effort and without harsh chemicals. Safely heat the oven to a high temperature to turn different levels of grease and grime into ash. Then just quickly wipe the residue away.

FamilySafe Doors

For extra peace of mind and safety in the kitchen, we've developed multi-layer glazed oven doors. Given the multi-layer glazing, the Westinghouse FamilySafe oven doors are found to be cooler and safer for families with young children.

Fast heat-up time

Every moment counts, so while your oven heats up fast you can save time and get on with cooking the dishes you and your family love.

Built in Australia

Westinghouse, has been the heart of the home for generations and the kitchen appliance brand we have always known and trusted to build reliable products. This oven is built in a local factory in Adelaide.
