Westinghouse

# They say the kitchen is the heart and soul of every home.

At Westinghouse, we want to make every day easy. Our latest range makes practical look stylish, with exciting innovations and clever designs to make cooking a pleasure for everyone. We're introducing innovative features to our latest range of freestanding cookers.

In selected models you will be able to use AirFry to make healthier, delicious meals without taking up extra benchspace whilst EasyBake +Steam ensures your baking has a crisper outside and fluffier inside.

Once the hard work is done we want to make sure the cleaning up is as easy as your meals were to make. That is why selected models will come with PyroClean or Steam Assist Clean. PyroClean cleans away the heavier grime without the use of chemicals whilst Steam Assist clean is perfect for a light 30 minute clean.

You'll feel right at home with Westinghouse.

90cm FREESTANDING COOKER

## make every mealtime easy

When it comes to entertaining we want to make things easier for you, our 90cm freestanding cooker range is here to do exactly that whilst beautifully coordinating with your kitchen design. The 125L gross capacity oven is quick to heat up and has room for all your family favourites with newly added features that will change how you entertain. With some models coming with Airfry function, you are able to cook healthier dishes for the whole family by using air not oil.

When it comes to your cooktop we want you to have options. When choosing gas you will have a high powered wok burner and Dual Valve control which allows you to go from boil to simmer in an instant. Whilst a ceramic cooktop gives you a pause function when you need it and an easy to clean surface, giving you more time for the things you love.

When all the guests have left, you want to be able to clean your oven with the press of a button. With PyroClean on selected models you can do exactly that, leaving us to take care of the cleaning up.

**AirFry**

## AirFry for that perfect, healthy crunch

When a food craving hits, make healthier and delicious food right in your oven. Deliver all the flavour and none of the guilt. AirFry allows you to make healthier, tasty meals for the entire family – right in your oven.

## steam assist clean

---

## cleaning's a breeze with steam

---

A 30-minute light oven cleaning\* that's chemical free. Just add water and vinegar, turn on the steam cycle and wait until grime is softened and loosened. Grab a cloth, some detergent and wipe. Your oven is clean again. Easy.

OVEN

## features

### 1 ovens that clean up after themselves

Even cleaning up is easier with Westinghouse. Choose a PyroClean oven and with the press of a button you can keep your oven shiny and clean. The oven turns on to an extremely high temperature, turning grease and grime into ash. All you need to do is simply wipe the residue away. No nasty chemicals, no greasy mess – just a sparkling clean oven with minimal effort.

(WVEP917DSC only)

### 2 even cooking twin fan system

Our twin fan system works to evenly distribute heat throughout the oven so you can enjoy delicious results every time.

### 3 designed for ease and safety

Telescopic runners are another piece of thoughtful design that makes it easy to draw racks out and safely check on your dishes during cooking. (Selected models)

### 4 room for everything

If you're serious about creating delicious family feasts and you love entertaining, you'll be right at home with our 90cm oven with a generous 125L gross capacity. That's plenty of room for the biggest Christmas turkey or a weekend roast for all the family. The extra width makes getting things in and out super easy.

### 5 boil to simmer in an instant

For precision control cooking all your favourite recipes, our smart Dual Valve flame control lets you go from boil to simmer in an instant. (Selected models)

### 6 family safety first

Our cast iron trivets flat design ensure the base of your pots and pans are fully supported, allowing you to have a safe and stable cooking environment.
