Product Details

FEATURES

Quick wash option

Pause and add button

Liquid or powder detergent
drawer

Auto water level sensing

Delay end option to plan
when your wash finishes

High spin, less dry time

BENEFITS

Save time with Quick 15

Sometimes you just need to get a few things clean fast. And that's where Quick 15 comes in. Designed to wash a daily 1.5kg load of lightly soiled clothes, this super-quick wash takes just 15 minutes. Perfect for quick loads during the week or when you've got to do multiple washes, Quick 15 is sure to become your favourite program.

Daily 60 program

Get your clothes clean faster, with the Daily 60 program designed to wash those larger (up to 4.0kg) loads in an hour.

Ezi Set controls

Enjoy great results at the touch of a button. With everything you need at your fingertips, the full-touch controls are easy to use and help you get your washing done faster. Simply work your way from left to right, set your wash and go. Plus, a quick wipe down is all you need to keep things clean.

Timed to suit you

Keep your clothes fresh and say goodbye to wet and wrinkled washing sitting in your machine. Now you can plan ahead and get your wash to finish when its convenient for you. Simply set the time you need your wash done and your clothes will be ready when you are.

Ezi Load 3XL drum opening

The extra-large drum opening makes loading and unloading your washing so effortless and easy. Perfect for big loads or those bulky items like blankets and curtains, you'll have things in or out in no time.

High spin, less dry time

Experience maximum efficiency with a higher spin speed that expertly extracts more moisture from your clothes. This means a shorter drying time. You can also adjust the spin speed if preferred.
