LP Gas Conversion kit included
LP Gas Conversion kit included. Must be installed by a licenced tradesperson.

BENEFITS

A hotter wok helps bring out the flavour
Use high heat to lock in the flavor of your dishes. With durable brass caps and 19 MJ/h you can bring your wok to high heat with even flame distribution. Spice up your cooking and spice up your life.

Boil to simmer in an instant
For precision control cooking all your favourite recipes, our smart Dual Valve flame control lets you go from boil to simmer in an instant.

Cook with confidence
Enjoy peace of mind with our ceramic glass gas cooktops. Ceramic glass is designed to withstand the rigors of daily cooking and deliver lasting performance, ensuring it is tough enough to handle even the busiest kitchens.

Family safety first
Our cast iron trivets flat design ensure the base of your pots and pans are fully supported, allowing you to have a safer and more stable cooking environment.

Easy to Clean
Spend more time cooking and less time cleaning. Our flat surface gives foods and spills nowhere to hide, making cleaning a breeze.

Flame out. Gas off.
In the kitchen, it should always be safety first. If the cooktop flame unexpectedly goes out, our Flame Failure Device will automatically shut down the gas supply so you and your family can breathe easy.
